## **Annual Club Competition 29<sup>th</sup> and 30<sup>th</sup> June 2019**

The club held its 32<sup>nd</sup> annual club competition on the weekend of 29<sup>th</sup>/30<sup>th</sup> June which was open to all our members and 153 gymnasts entered! All the gymnasts looked very smart in the club kit and were a real credit to the club and their families. For some it was their first experience of a competition and every gymnast should be proud of how well they performed. The competition results can be found overleaf.

Our thanks go to all our coaches, committee, judges and volunteers who gave up their entire weekend for free to make the competition run so smoothly over both days. Thank you also to our wonderful squad gymnasts who performed their specially choreographed display routines to the gymnasts and audience on both days.

Thank you to everyone who donated raffle prizes and cakes. The proceeds from the spectator entry fees, refreshments, raffle, and 50/50 raffle, totalled an amazing £765, which goes into our equipment fund to buy/replace equipment that benefits all our gymnasts. As a not for profit club, all the proceeds from all our events go towards buying new equipment and training aids or replacing worn kit. All our volunteers give up their time or services for free, so everything raised goes directly back into the club. The lucky winner of the 50/50 raffle was Rosie Niner winning £121!

## **BG Insurance, Club Membership & Standing Orders**

Just a reminder that all gymnasts must be insured through British Gymnastics within 14 days of joining the club. Gymnasts are not allowed to train after this time without insurance being in place. Please ensure that you register online with BG, link them to Lincoln City Gymnastics Club and pay the £17 annual membership. If you need any help with this, please speak to us. Similarly, you should return your club membership form and pay the £5 membership fee within 7 days. This ensures we have emergency contact details and details of any medical conditions or allergies. Gymnasts must not be left at the gym unattended until we have this information for welfare reasons.

Finally, whilst we do allow cash/card payments for the first few weeks that gymnasts join the club, our club rules state that a standing order in respect of the subscriptions must be set up by the 1<sup>st</sup> of the following month. The monthly subscriptions are calculated over the 47 weeks we open, divided by 12 to give the monthly figure. If you have not set up a standing order, please arrange for this to be set up from 1<sup>st</sup> of next month. As a not for profit club we do rely on the correct subscriptions being paid on time to cover the running costs of the club.
