

# LINCOLN CITY GYMNASTICS CLUB NEWSLETTER

## Christmas and New Year Closing

The club closes after training on Saturday 18<sup>th</sup> December for Christmas and we re-open on Tuesday 4<sup>th</sup> January 2022. We wish all our members and their families a very merry Christmas and a happy New Year 🎅

## Christmas Challenge Competition 27<sup>th</sup> & 28<sup>th</sup> November

A fantastic 171 gymnasts entered the Christmas competition and every gymnast who competed was amazing! Regardless of whether they won a medal or not they were a real credit to the club and their parents and we are very proud of them all. It was lovely to have some spectators over both days and we hope you all enjoyed seeing how hard the gymnasts have been working. We are still working out the exact figures but the raffles in each round, the luxury raffle, lucky dip and refreshments raised just over £650 for the club's equipment fund which is fantastic. A massive thank you to everyone that donated towards the raffles and also the donations from Simpsons, Doddington Hall, Oceans Health & Beauty and Cute Claws and of course to everyone that brought raffle tickets to support the club. A roll of honour of all the medal winners is at the end of this newsletter.

## Subscription Increases From 1<sup>st</sup> January 2022

As mentioned in our letter emailed to parents, we are having to increase our subs for the first time in over 4 years due to Covid, the rise in inflation and the substantial increases in our running costs. We should be grateful for your co-operation in amending your standing order to the new rates with effect from 1<sup>st</sup> January 2022. Anyone who has not received the emailed letter, please check your junk folder and if you have not received it email us at [LCGC-1@outlook.com](mailto:LCGC-1@outlook.com) and we will send you a further copy.

## Last Chance to Buy at Bargain Prices!

We have a limited amount of the sale stock from the Christmas competition available and if anyone is interested, please speak to the coaches at the beginning/end of your child's session, they would make ideal Christmas presents. These include: Long sleeved foil leotards – was £65 now £10, long sleeved velour training leotard was £22 now £8, short sleeved velour training leotard was £18 now £5, Tracksuit jacket was £22 now £10, T-shirts (small sizes) £5 and scrunchies were £3 now £1. We also have the LCGC leggings available for £15 at all times.

## Car Parking

Further to our emails, Facebook posts and posters we are still having car parking issues and receiving complaints from neighbouring businesses. The only allocated parking we have is that within the white lines immediately outside the gym, but if everyone drives right up the gym there is room for 2 cars one behind the other within the white lines and if everyone does not leave big gaps between cars there is sufficient room for at least 20 cars meaning everyone would have a space without using the other businesses car parking. We are aware that people are parking back and leaving large gaps because they do not want to be blocked in but as the gymnasts leave at the same time there is no reason for this. The coaches want to coach the gymnasts and not have to be car park monitors so please can we ask that you park sensibly and considerately. Our lease could be at risk if the other businesses complain to our landlord so we are appealing to you to please help us with this. If there are no spaces outside the gym there is parking on the roadside or in the overflow car park on Murdoch Road (instead of turning into the gym site it is next left and at the bottom of that site).

## Facebook

Just a reminder that the club has a closed Facebook page for members where you can keep up to date with all things gym. You can apply to join it, stating the name of your gymnast and our Admin team will accept you.

## Covid Update

As cases are still high in Lincolnshire and due to the new variant, the committee have agreed to keep its covid measures in place. Unfortunately, this means that we cannot allow spectators at training for the safety of coaches, gymnasts and parents. The committee will review this in the new year, but safety is our paramount concern.
