

LINCOLN CITY GYMNASTICS CLUB NEWSLETTER

We wish all our members a Happy New Year 🎊

This is not the start to the new year that any of us foresaw or wanted, being in a third lockdown and unable to re-open after the Christmas break. The club's committee and coaching team are as disappointed as we are sure our gymnasts and parents are. We will not know when we can re-open until at least after the review in mid-February, but we are working hard behind the scenes to keep the club maintained until we can re-open. We will of course update parents as soon as we have any more information.

We are pleased to report that the club has managed to obtain government grants totalling £9,000 which will mean the club can continue to pay the rent, utilities, and other running costs of the club until the end of March.

Our two employed coaches have been furloughed again, with the club making up the extra 20% of their wages and our voluntary coaches are receiving a retainer, which will enable us to have a full coaching team to come back to. This is being paid from the £5 monthly retainer, which we have asked parents to pay to reserves places. We are extremely grateful to those that are still paying full subs to support the club, but we appreciate that not everyone can do this, and we do understand that. The £5 retainer reserves gymnasts' places for when we re-open and if we do not receive the retainer or hear from parents, we will assume that gymnasts do not want a place at the club.

Club Annual Membership

The club's annual membership is usually due in January of each year. However, in the circumstances, we are extending all our current gymnasts' membership until we re-open. We do however ask that if any of the contact details have changed in the meantime, that you email us at LCGC-1@outlook.com so we can update our records. Thank you.

New Kit

Whilst we have been unable to do any fundraising in 2020 due to the pandemic, we have recently purchased some new kit from our fundraising in 2019: 3 large safety mats (crash mats); a small safety mat; a new block and a trampette, all of which were delivered in December, plus a new coaching platform for the bars, which was delivered and installed during the Christmas holiday. We hope it is not too long before we can benefit from this new kit!

New Squad Tracksuits

The new squad tracksuits were delivered the week before we broke up and all but one was handed out before we closed. Thank you to those who paid in full on ordering and those that have since paid in full. To those taking advantage of the payment plan can we please ask that you pay the first instalment by the end of January (by bank transfer quoting CS + gymnasts name as reference) and monthly thereafter. The club had to pay in full at the time of placing the order, so the instalments must be paid as agreed to reimburse the club's finances.

Facebook

Our coaches are again busy setting weekly conditioning for all our gymnasts, both recreational and squad to do at home during the closure to keep them all fit and motivated as well as weekly challenges, which we are all enjoying seeing all the entries for, with the winners getting prizes when we re-open. Please engage your children in the conditioning and challenges where you can as a way of keeping them involved in gymnastics and the club. If you are not a member of our closed Facebook page, please apply and our admin team will accept any members' parents.

Xmas Challenge

We were fortunate to be able to hold the Christmas Challenge before we broke up for Christmas, and what a successful, enjoyable, Covid safe weekend it was. The gymnasts were a real credit to the club and their parents and although it was regrettable that parents were not able to watch we hope they enjoyed seeing all the photographs taken by the coaches and the smiles on the gymnasts' faces when they came home. We are grateful to the committee members and coaches who gave up their weekend to bring a little bit of normality and enjoyment to the gymnasts. The roll of honour from the competition is set out below.
